If there is still a tie for first the six holes with difficulty 16, 8, 15, 3, 12, 7 will be counted followed by 11, 4, 14 and finally the most difficult hole. The very last step to determine a final winner is by lot decided according to the DGV rules for competitions.

The accompanied player owes the responsibility to acquaint the companion or caddie with the etiquette of golf in order to avoid any kind of effect on one of the players on the golf course during the round.
